Think It Over

Pray and reflect on what you just learned from Chip and Jim.
Then work through the following questions at your own pace.

1. In Jim's story about Sean, do you agree that the bigger problem was Sean's parents enabling him to not take responsibility?
2. Can you think of anything you're doing for your children that they're capable of doing for themselves?
3. Jim talks about the value of setting clear expectations and boundaries. If your adult children are living at home, how are you doing with that?
